

Auto ♦ Home ♦ Life ♦ Health ♦ Business ♦ Farm ♦ Workers Comp

Thank you for allowing us the opportunity to work for you.

Clovis Insurance Agency has been providing insurance protection for individuals, families and businesses for over 80 years. We pride ourselves in honesty and integrity and the simple fact that we will save you time and money on all of your insurance protection.

We represent Allied, Capital Insurance Group, Hartford, Kemper, Mercury, MetLife, Progressive, Safeco and Travelers and many other excellent companies for all of your personal insurance needs. Rather than spending 15 minutes of your own time saving just 15% on your car insurance, you have chosen to protect yourself and save hundreds or even thousands of dollars as well as your valuable time. We are dedicated to providing you with accurate quotes from all of our companies to ensure that you get the protection you need while saving you more in premium on each policy, and potentially thousands of dollars in the event of a claim.

As you will see, we work harder at protecting you by analyzing your total insurance program. At the same time you will save money in ways that many companies and agents fail to offer. Convenience has its price when it comes to your insurance protection at the time of a claim.

The attached forms will help you determine your actual exposures and allow us to coordinate your coverage for auto, home/renters/condo, and if necessary an umbrella policy which will help you protect your current assets and future earnings from the cost of a civil judgment against you as a result of a covered, but underinsured claim.

Although many of us think it will never happen to us, one moment of bad luck or indiscretion by us or a family member or friend can cost us dearly in our future. Don't be a victim of an underinsured loss if you can help it.

Thank you again for taking the time to allow us to shop and hopefully improve your insurance protection.

Sincerely,

LIABILITY---WHAT DO YOU STAND TO LOSE?

Here is the formula to find out what you can potentially lose in a civil judgment. Unlike credit debt, civil judgments are not relieved by bankruptcy. So, the risk is not worth taking in most cases.

Add up the following items:	Totals:
1. Equity (current value – loan amount) in your home(s)*:	
2. Personal Property you own (vehicles, furniture, etc.)*:	
3. Cash and Savings (such as CDs):	
4. 401K, Retirement, Stocks, Etc.*:	
5. 25% of your future earnings (multiply your current annual income by the number of years beyond now that you plan on working)**:	
This is Your Current Liability Exposure:	
Multiply the above total by 2 to 3***:	
***This is the amount of liability protection you should consider carrying to force an insurance company to defend you and hopefully settle a claim under your limit of liability coverage. *Liens can be made against any real or personal property and retirement accounts. Once a judgment is satisfied, liens will be removed. **California allows up to 25% of a person’s wage to be attached to satisfy a judgment if there is not enough cash available immediately.	

The bottom portion of this form is **REQUIRED** for all quotes since we only work to protect our clients.

-----detach here and return lower portion if you do not wish to share the above information-----

So the questions really is: **Do you need a Personal Umbrella Policy?**

A Personal Umbrella Policy protects you in the event you are held liable for injuries to another party and the award is higher than your underlying auto liability or personal liability protection.

Auto accidents in which you are found at fault, someone (**including a trespasser**) drowning in your pool, or someone (**including a trespasser**) tripping on the sidewalk in front of your house are just a few examples of the types of things that **can cost you everything**.

I have determined my current and future exposure using the simple formula and I have decided:

I Need an Umbrella: 1,000,000:___ 2,000,000:___ 3,000,000:___ 5,000,000:___ 10,000,000:___

Your liability exposures (the number of items in each): If this information is not returned, no quote will be provided.					
Home(s) you occupy:		Acres (if on a farm):		Rental Homes:	
Vacant Land (Acres):		Pool(s):		Spa(s):	
(\$300,000 Personal Liability and \$300,000 Owners, Landlords, & Tenant Liability Required)					
Business conducted from home:___		Type of business:_____		Insured?:___	
Autos registered to you:		Motorcycle(s):		Recreational Vehicles:	
ATVs:		Boats or Personal Watercraft:			
(minimum liability of \$250,000 per person/\$500,000 per accident/\$100,000 property damage)					
Drivers over 25 years of age in household:				Drivers under 25 years of age in household:
